Ask Server about Dessert Selections

We want to thank you for giving us the opportunity to serve you. We hope that you will be pleased with our food, service, and hospitality. We take pride in knowing that we serve the very best quality of food. We do not buy specials or "good deals" because you do not buy quality when buying cheaper products. So, at Don's you can be sure you are getting first quality. If we should fail you in any way, we would like to offer our sincere apology and ask that you be kind enough to let us correct our errors before you become so upset your meal is not enjoyable. Our people are here to serve you the very best they can, and they work very hard at achieving that goal. Even so, there are times when, in the rush of things you may feel overlooked. Please let your server know at that time, and be assured they will take care of you. We thank you and we do care.

Yours truly,

The Management
