Join us to learn about being a Disaster Action Team Member in your community!

RSVP by contacting Kasey Marshall at [kasey.marshall@redcross.org](mailto:kasey.marshall@redcross.org) or 336-332-6937

The American Red Cross serving Wilkes County has volunteer positions open on its Disaster Action Team helping neighbors during times of emergency. Volunteers respond to community members affected by natural disasters and home fires. They provide comfort, hope, and resources when needed the most. This is a critical way to serve the community.

This position requires volunteers to have personal transportation and access to a computer. Disaster Action Team volunteers must be at least 18 years of age.

Help your neighbors during  
time of emergency!
