SOUND THE ALARM
Save a Life

American Red Cross

Just one day of your life can change someone else's forever.

Every day 7 people die from home fires. Since 2014, we've saved more than 500 lives and made more than 600,000 households safer. Join our growing movement.

Volunteer to check and install smoke alarms, and to educate families on fire safety!

Together we can help prevent these needless tragedies in North Carolina.
