

BLUE RIDGE OPPORTUNITY COMMISSION INC. has been designated as a drop off location for a Food Drive sponsored by our partner, **Second Harvest Food Bank of Northwest North Carolina.**

This food drive has been organized to assist the citizens in Wilkes County that were affected by the storm that hit Friday, July 8, 2016. The straight line winds from this storm caused around 24,000 homes to be without power.

Your food/monetary donation is greatly appreciated to assist the families of Wilkes County!

See below for other Food Drive drop off locations:
